**Montana District Procedure: Sexual Harassment**

The Federal statutes on sexual harassment is so broad that anyone who is offended by something they see or hear done to themselves or to someone else can have a cause of action against the alleged perpetrator. To help Montana Kiwanians to avoid accusations of sexual harassment, sexual harassment training/education will be included at conventions.

If a complaint is filed against a Kiwanian, the Kiwanian, the Kiwanian's club president, the District Governor or any other knowledgeable Kiwanian will immediately notify the District Risk Manager to alert the Kiwanis liability insurance carriers. This will also trigger a prompt investigation according to Conduct Unbecoming policies and Procedures. It is recommended that the accused Kiwanian consider engaging a personal attorney as well.

**Montana District Procedure: Background Checks**

The District will submit and pay for background checks for the Governor, Governor-Elect, all members of the District Board and Executive Committee. This includes the Secretary, Treasurer, Lt. Governors, Service Leadership Program Administrators, Youth Protection Officer and Risk Manager as well as any other person specifically indicated by the Governor. Clubs are also authorized to submit and pay for checks for club members as the club chooses.

All Montana Kiwanians assigned to or allowed to work regularly with sponsored youth will obtain a criminal background check. District Service Leadership Administrators checks will be done by the Youth Protection Officer at District expense. Clubs may choose to submit and pay for the check for club SLP advisors.

**Montana District Procedure: Appointment of the District Secretary and Treasurer**

The Governor-elect shall select a District Secretary and a Treasurer no later than February 1 of each year. If Mid-winter Conference is held in February, the current Board of Directors, Governor and District Secretary shall be informed in writing by February 1.

The appointed secretary shall be encouraged to attend the Secretary Training Conference set by Kiwanis International with the current year's funds. If at all possible and the funds are available the current secretary is encouraged to attend as well.

**Montana District Procedure: Contracts and Other Legally Binding Documents**

For all legally binding documents, the following procedure will be followed to protect the interests of the District. District Board members, SLP Administrators and other District

members may initially negotiate legally binding instruments but must then submit them to the Executive Board via the District Secretary for approval. The Executive Board will determine what changes, if any, are needed. Once the Executive Board approves the legally binding document, the District Secretary will sign the contract as the only authorized signer for the District. In the event that the District Secretary is unavailable for whatever reason, with approval of the Executive Board, the District Treasurer may sign on the District's behalf.

#### **Montana District Procedure: Governor Expense Account**

The Governor will be allotted an Expense Account each fiscal year in the District budget. The Governor is required to document the expenses charged to the account as funds are requested from the Treasurer, whether in advance or as reimbursements. Receipts are required to be submitted to the Treasurer for any expense over \$25.

#### **Montana District Procedure: Governor-Elect Expense Account**

The Governor will be allotted an Expense Account each fiscal year in the District budget. The Governor-Elect is required to document the expenses charged to the account as funds are requested from the Treasurer, whether in advance or as reimbursements. Receipts are required to be submitted to the Treasurer for any expense over \$25.

#### **Montana District Procedure: Lieutenant Governor Expense Account**

1 - Each Lieutenant Governor (LtGov) will be allotted an Expense Account each fiscal year in the District budget; this account does NOT roll over into another fiscal year. Each LtGov is required to document the expenses they charge to their account as they request funds from the Treasurer, whether in advance or as reimbursements. Receipts are required to be submitted to the Treasurer for any expense over \$25. Further approval of expenses may be requested of the Governor or Executive Committee at the discretion of the Treasurer.

2 - LtGov's are **required** to attend Board meetings and requested, in addition, to stay for accompanying Mid-Winter and District Conferences. Each LtGov may request funds or reimbursement for the following related expenses:

For All Day In-Person Board Meetings not in conjunction with a Conference

One night's lodging for an all day meeting at the established room block rate

One additional night's lodging at the established room block rate for any LtGov coming from over 250 miles

For Montana District Conferences Attended

See below **Convention and Conference Procedures**

3 - For International Conventions, attending LtGov's are expected to use any remaining Expense Account funds to help defray their expenses. If a Lt Gov is not going to attend, the LtGov may designate some of his/her Expense Account to be used to help attending LtGov's. Any funds so identified to the Executive Board will be divided up by the Executive Board among the LtGov's who are attending.

## **Montana District Procedure: Kiwanis Foundation of Montana District Outreach Program**

1 - The Kiwanis Foundation of Montana sends out a form each year soliciting funds to support the District's Service Leadership and other programs. All clubs are strongly urged to support this effort. Clubs are asked to support an assessment of \$5/club member for Service Leadership Program support and \$1/club member to fund the Kiwanis Foundation of Montana.

2 - The Kiwanis Foundation of Montana supports the District's Service Leadership Programs by forwarding to the District specific funds requested from clubs as follows:

Circle K - \$100/year

## **Montana District Procedure: Conventions and Conferences**

The District Executive Committee (Governor, Governor-elect, Immediate Past Governor, Secretary and Treasurer) will approve the location, meeting arrangements, major costs, reimbursable expenses and other significant items.

A. The location and timing of the Mid-Winter conference is proposed generally by the Governor-elect at least 330 days in advance and approved by the entire District Board at the next Board meeting.

The application shall be sent to the Secretary at least 30 days prior to the meeting. Applications will be reviewed by a committee comprised of the Governor, Treasurer, and CLE trainer or by their designees.

To receive reimbursement, approved applicants will need a certification of attendance from the CLE trainer and provide a lodging receipt.

### **Montana District Procedure: Honoring Deceased Kiwanians**

The District Secretary shall send a sympathy card on behalf of the District Board to the family of a deceased Montana Kiwanis member as the death is reported on the Monthly Report from Kiwanis International or reported by another member.

To honor deceased Governors, the District shall make a donation from District funds to the Kiwanis Foundation of Montana in the name of any deceased past or present Montana Governor as soon as the secretary is notified. These funds shall remain with the Kiwanis Foundation of Montana to be used in their general fund unless the deceased Governor's family requests it go to a specific Kiwanis Foundation of Montana Fund or Project. If there is time, a reasonably priced flower arrangement will be purchased with District funds and sent to the funeral as well.

A Kiwanian that has not served as Governor will only be honored by the District Board with a majority vote of the current Board.

### **Montana District Procedure: Interclub Meetings**

In view of the great distances and small clubs and to be as fair as possible, the number of members required to attend a meeting of another Kiwanis Club to be called an Interclub Meeting shall be as follows:

For clubs with up to 29 members, at least 2 members

For clubs with 30-39 members, at least 3 members

For clubs with 40 or more members, at least 4 members

A visiting Kiwanian from another Kiwanis Club may join an Interclub group and can be counted as long as the visiting Kiwanian is in good standing with his/her own club. For instance, if only 3 members of a club are able to go Interclubbing, a visitor in attendance can join with the 3 and the visit can be counted as an Interclub.

Club members who are Committee members or Committee Chair of a Key Club, Circle K or Builders Club and joined by 1 or more from the Club cannot be counted to make up an Interclub. The basic reason is that this member is assigned to that duty and he/she is required to perform that duty. Past District officers from the home club CANNOT be used to make an Interclub.

### **Montana District Procedure: Closed Clubs and Articles**

If a club closes for any reason, all club assets will be transferred to the Kiwanis Foundation of Montana, who will hold the assets in escrow for two (2) years. If the club reopens within that two-year period, the original assets will be returned to the club less any legal encumbrances. The Kiwanis Foundation of Montana will retain any accrued interest. If the club does not reopen, the assets become property of the Kiwanis Foundation of Montana.

Club articles (bell, banners, gavel, flag, etc.) will be transferred to the District Secretary, who will hold them for two (2) years. If the club reopens within that two-year period, the Secretary will return the articles to the club. If the club does not reopen, the Board of Directors will determine the distribution of the articles.

### **Montana District Procedure: Working with Service Leadership Programs (SLP)**

In places where more than one Kiwanis Club exists, the clubs are encouraged to create a team to coordinate activities and facilitate the formation of Service Leadership Programs, including Aktion Club, Circle K, Key Club, Builder's Club and K-Kids. The team shall consist of:

Chairman (faculty or Kiwanis Advisor from an SLP sponsoring club)

One club representative from each Kiwanis club

President or Designate from each SLP

The Team shall meet as often as necessary but not less than once a quarter to consider issues relevant in each organization as well as consider and coordinate projects that each club engages in for membership drives, fundraising, service projects and other activities to empower each other.

### **Montana District Procedure: Youth Protection**

Because SLPs are sponsored by the District, the District must ensure that we protect all the SLP members in our programs. Monitoring and supervision of youth during meetings, outings and conferences is key to their protection. All Montana Kiwanians assigned to or allowed to work regularly with sponsored youth will obtain a satisfactory criminal background check. District Service Leadership Administrators checks will be done by the Youth Protection Officer at District expense. Clubs may choose to submit and pay for the check for club SLP advisors.

Montana Kiwanians will follow the rule of 3 when meeting or traveling with sponsored youth, however briefly. There will be 2 adults and 1 youth or 2 youths and 1 adult present. At Kiwanis sponsored events, there must be 1 Kiwanian for every 4 youth; for overnight stays there must be 1 Kiwanian for every 10 youth. If both male and female youth are present, there must be both male and female Kiwanians providing supervision.

Sponsored youth traveling to Kiwanis sponsored events without an accompanying Kiwanian or parent must provide the District with a parental indemnification release in advance of the travel.

No electronic one on one communication by Montana Kiwanians with sponsored youth is acceptable, to include texting, email, Facebook or other forums.

There is no requirement to have a specific monitoring program for meetings. Written plans for outings and conferences is required. The plans must be approved by the District Youth Protection Officer and the Governor in advance of the event to ensure the best protection is being offered.

The District is not a mandated reporter per Montana statutes but as protectors of the youth in our programs, the following applies:

For incidents of bullying or disruptive behavior, after the behavior is stopped, the supervisor of the youth activity should be immediately notified with as many details of what occurred as possible. The supervisor should immediately notify the District Youth Protection Officer and Governor as well as the affected parents/guardians.

If abuse and/or neglect is suspected, the supervisor of the youth activity should be immediately notified with as many details of what occurred as possible. The supervisor should immediately notify the District Youth Protection Officer, who will provide information on reporting to the proper state authorities and will notify the Governor.
